

# Education

Considering the budgetary constraints educational institutions face today, providing students, instructors

and administrators with adequate facilities is a major challenge. Sheppard's Business Interiors offers educators a selection of furniture products customized for their demanding needs. In the current climate most schools are facing higher enrollments and shrinking budgets, putting strain on existing facilities. SBI's selection of simple, reliable and attractive educational furniture products empowers today's schools to make the most of their interiors and focus their limited resources on more pressing needs. We have excellent solutions for the classroom, administrative office, media center and more.
